

Charisma rose

...competitively priced period looks, with a host of modern features.

Charisma Rose is a versatile, modern, competitively priced sash window suitable for all applications, from traditional to new-build.

It combines the eye-catching appeal of a quality sash window with a host of cutting-edge design features that make the most of modern materials and manufacturing techniques.

Characteristic of the Charisma Rose are its Victorian sculptured profiles and enhanced security features, which include unique anti-jemmy bars as standard.

Overall, Charisma Rose provides the ideal balance between competitive pricing, period looks and modern features.
